The Chapman Difference

At Chapman Freeborn OBC, we understand the unique challenges of time-critical hand carry shipments. Our experience allows us to provide a seamless, efficient shipping experience for our customers through:

- **Tailored Solutions**

Whether it's a single envelope or a complex multi-package shipment, we prioritize your specific needs to ensure peace of mind.

- **Global Support & Prompt Quoting**

Our dedicated team offers 24/7 support from offices in Germany, Hong Kong, Mexico, and the United States, delivering accurate solutions anytime, anywhere.

- **Effortless Global Logistics & Real-Time Updates**

With access to over 2,500 fully insured and trained couriers, we handle all logistics and regulatory procedures, keeping you updated with real-time status reports and immediate delivery notifications.
